

JOIN ROSE HUGHES for:

Dream Landscape™

Ever see a beautiful scene that you *know* would make an amazing quilt? In this workshop you will learn how to capture and translate your favorite landscape photographs into colorful designs and unique fabric art.

You'll create your own dream landscape while learning and using Fast-Pieced Applique™ techniques and embellishments. In just 2 days you'll learn the secret of how this technique uses machine piecing and appliqué in combination to simplify complicated curves and circles. Capture the spirit of your photos in fabric form, and new skills and techniques to apply in future projects.
